

FACIAL MENU

Majestic Signature Facial: State of the art technology using electrical energy and sound waves. It includes a cool peel and red light therapy. 75 minutes, \$150

Dermasweep Facial: An exfoliating treatment, derma plane and premium infusion that leaves your skin refreshed and dewy. 60 minutes, \$125

Dermasound Facial: A non-invasive facial procedure that utilizes water and ultrasonic frequency to loosen and remove dead skin cells from the surface of the skin. Once the dead skin cells are removed from the skin, collagen and elastin production are stimulated, which will help to heal connective tissues in the skin. 45 minutes, \$100

Men's Facial: A customized session that may include an exfoliating treatment, red light therapy, extractions, or face masks or peels. 30 minutes, \$100

Acne Facial: Focuses on extractions and a customized use of product, peels, masks, and red light therapy. 30 minutes, \$100

Fire & Ice Facial: Intense facial designed to encourage safe and rapid exfoliation of the surface of the skin. It reduces the appearance of fine lines and wrinkles, smoothing and softening the overall look and feel of the skin. 30 minutes, \$100

Exfoliating Clear Skin Facial: Designed for gentle exfoliation with soothing and healing benefits for oily, congested, acne prone, or otherwise problematic skin. 60 minutes, \$125

Harmony Facial: A soothing and revitalizing facial designed to awaken the senses and restore balance to the skin as it renews tone, clarity and resilience. Gives a healthy glow to fatigued skin. 30 minutes, \$75

Honey Enzyme Facial: This luxurious, exfoliating, hydrating facial enhances skin with gentle massage and soothing hydration. The result is a dramatically smoother, brighter and revitalized complexion with a noticeable glow. 45 minutes, \$100

Foaming Enzyme Facial: Designed to revive tired, and congested skin, this facial features a powerful foaming enzyme masque system, combining papaya and pineapple enzymes with a clinical grade of glycolic acid. Bio-active ingredients exfoliate and deeply cleanse the pores to reveal a polished radiant complexion. 45 minutes, \$125

Red Carpet Facial: This is an excellent superficial peel to give your skin a hydrating and rejuvenating boost before an event so that you look radiant and glowing. Dermaplane is included in this facial. 45 minutes, \$125

PCA NoPeel Peel: Provides gentle exfoliation with no expected visible peeling or downtime and helps to smooth skin and boost brightness. It is formulated to be safe for all Fitzpatrick skin types and features a blend of exfoliating acids and calming ingredients that promote skin renewal while evening skin tone, removing impurities and decongesting pores. 45 minutes, \$125

PCA Peel: Chemically exfoliates and brings new skin cells to the surface to help treat chronic and acute skin conditions as well as discoloration, aging, and scarring. Unlike deep skin peels, PCA peels can be performed over the lunch hour, and you should have no problems returning back to work feeling fresh and rejuvenated. 45 minutes, \$125

Sensi Peel: A unique chemical peel option for all clients, including those with sensitive skin. This universal 6% TCA solution will improve surface texture and brighten the skin while helping promote an even skin tone. 45 minutes, \$125

Ultra Peel: Specially formulated to treat maturing skin while promoting even skin tone and clear complexion for all skin types, conditions and sensitivities. It uses 10% TCA solution for superficial and medium-depth peeling to improve the appearance of fine lines and wrinkles. 45 minutes, \$125

Smoothing Body Peel Treatment: A two-step treatment specifically targeting the skin on all areas of the body to reduce surface lines and wrinkles, smooth rough skin texture, treat skin discoloration, redness, and assist in clearing acne or blemished prone skin. 30+ minutes, \$150- \$400 depending on area.

Hydrate: Therapeutic Oat Milk Mask: Strategically formulated to soothe and hydrate impaired skin conditions of all kinds. Oat milk, an excellent humectant, is also an antioxidant. This unique treatment mask incorporates advanced botanicals and pro- vitamins such as cucumber, arnica, and panthenol to calm and improve the skin's appearance. 20 minutes, \$65

Detoxify: Therapeutic Charcoal Mask: Excellent for acne prone skin, this pore minimizing charcoal mask is formulated with Japanese white charcoal and clay to help remove excess oil, dirt and debris trapped deep in your pores for smoother, clearer skin. 20 minutes, \$65

Revitalize: Therapeutic Papaya Mask: Invigorate your skin with this anti aging papaya enzyme mask that exfoliates and refreshes to promote an instant glow. Formulated with vitamin E and antioxidants to soothe and protect your skin. 20 minutes, \$65

Clarify: Therapeutic Salicylic Acid Mask: Formulated with the breakout-prone patient in mind, Clarify: Therapeutic Salicylic Acid Mask is both purifying and calming to promote a clear complexion. 20 minutes, \$65

Retexturize: Therapeutic Pumpkin Mask: This nutritive treatment mask can be used full-face or as a spot treatment for thick, resilient skin with acne, sun damage, or hyperkeratolytic buildup. It combines exfoliating pumpkin enzymes and salicylic acid along with a host of breakout-fighting and antioxidant ingredients to address rough-textured skin caused by keratinization, leaving a healthy complexion following treatment. 20 minutes, \$65

4% Pure Retinol Peel: For skin in need of rejuvenation, this retinoid peel smooths, brightens, and evens skin tone through increased cell turnover and peeling. 30 minutes, \$250

6% Pure Retinol Peel: The most suitable candidates for this more active retinoid treatment are those with normal to resilient skin. This peel provides dramatic and rapid rejuvenation of the skin. By providing additional antioxidants within the formula, the skin is further protected from free radical damage. Skin is visibly smoother, brighter, and more evenly toned. 30 minutes, \$300

Detoxifying Pore Treatment: Clear pores, smooth skin, and reduce sebum production with this gentle and effective pore detoxifying treatment. This peel alternative delivers instant results, as well as long-term skin-clarifying benefits. 45 minutes, \$100

Triple Enzymatic Treatment: This advanced treatment combines gentle, yet powerful enzymatic and AHA exfoliation with unparalleled antioxidant and anti-inflammatory benefits. The result is bright, glowing, and strengthened skin. 45 minutes, \$100

Express Signature Hydrafacial: An instant skin refresher for all skin types! Deep cleansing, exfoliation, gentle vortex pore extraction. With this powerful antioxidant infusion treatment, skin looks tighter, smoother and cleaner with no down time. Using patented technology to cleanse, extract, and hydrate your skin. 30 minutes, \$199

Deluxe Hydrafacial: A procedure that includes all of the essentials of the Express Signature HydraFacial while addressing specific skin concerns with the additions of HydraFacial's boosters and LED light therapy. The Deluxe HydraFacial is best for patients wanting to customize their treatment with an extra boost. 45 minutes, \$250

Platinum Hydrafacial: The ultimate HydraFacial experience! Begin the detoxification process with Lymphatic Drainage. Then the Hydrafacial exfoliates, extracts and hydrates the skin while addressing your specific skin concern with a Booster of your choice. 60 minutes, \$275

OPTIONAL UPGRADES FOR ANY FACIAL

Eye Bright Treatment: Address and treat fine lines, wrinkles dark circles and puffiness around the eye. \$20

Dermaplane: Exfoliation and hair removal to take off dead, devitalized skin cells and excess superfluous hair from the skin's surface leaving the skin's surface immediately smooth, vibrant, and rejuvenated. \$25

Cool Peel: Removes the build-up of dead skin cells and helps to decongest the outer skin layers and smooth its texture, whilst boosting hydration, stimulating collagen production creating tighter and glowing skin. \$20

Hydrojelly Mask: a "jelly-like" mask that provides the skin with several benefits such as hydration, smoothing, moisturizing, washing, exfoliating, cooling, toning and inflammation reduction. \$15

High Frequency Wand: Increases oxygen in skin cells, improving the overall texture, tone, glow, and helps to treat acne problems. \$15

Advanced Treatment Booster: Increase exfoliation, and restore keratinization and barrier function while reducing redness with this soothing retinoid booster treatment for all skin types. \$20

Vitamin Injections: Vitamin D, Vitamin B12, Skinny Shot. \$15 each

IV Therapy: Choose from Myers Cocktail, Quench, Get-Up-And-Go, Recovery and Performance, Immunity, Inner Beauty, or Hangover Relief. \$125

Lip Perk: a revolutionary system that works with our HydraFacial machines to plump and hydrate your lips in less than ten minutes! The PERK™ Lip Revitalizing Serum contains peppermint oil, aloe leaf extract, and peony extract to hydrate and moisturizes lips, leaving them lightly plumped and relaxed.

Eye Perk: a brand new attachment system that works with our HydraFacial machines to tighten, moisturize, and hydrate the delicate area around your eyes. The PERK™ Eye Replenishing Serum has green tea extract, arnica flower extract, oat kernel extract, citric acid, and earth mineral peptides to hydrate and brighten your eyes. In less than ten minutes, our estheticians will apply the PERK™ Eye Replenishing Serum to your eyes, leaving you with a fully-refreshed look and no downtime!
